Patriot's Tempered Glass Screen Protector offers superior protection for iPhone® 6 and iPhone® 6 Plus with an easy application. The Tempered Glass Screen Protector provides edge to edge screen coverage, leaving no room for scratches, dirt, and oil that occur in every day usage while its ultra-high transparency preserves the smartphone's high resolution and vivid display.

An oleophobic coating allows the Tempered Glass Screen Protector to offer optimal protection from your skin's natural oils and keeps it clear. The 9H rated glass provides protection from drops as well as everyday scratches. Beveled edges cover the screen's curved glass completely, so full protection is never a concern.
